

Truth-in-Lending Statement

Our office wants all our patients to comfortably afford their dental care. We proudly offer the following financial choices so our patients can have the opportunity to decide which payment option best suits their needs. If you have any questions, please ask.

Cash, Check, Credit card (Our office accepts Visa, Mastercard, Discover, CareCredit)

Please make checks payable to Cedar Rapids Periodontics

Dental services are charged directly to the patient and he or she is personally responsible for payment of all dental services.

Insurance

Our office will gladly work with most insurance companies. We will help prepare the patients insurance forms and assist in making collections from insurance companies to credit any payments from insurance to the patients account. Most dental plans do not cover 100% of treatment costs, because of this we ask our patients to pay their estimated percentage on the day service is rendered. We will estimate as closely as possible utilizing your allotted benefits however, we can make no guarantee of any estimated or actual amounts.

Note: Dental insurance coverage is a negotiated contractual agreement between your employer and the insurance company, but the ultimate responsibility for all charges lies with you. A service charge of 1.5% per month on the unpaid balance will be charged on all accounts with a balance exceeding 90 days, unless previously written financial arrangements are agreed upon.

We will make multiple attempts to contact you in regards to a balance due however, if after 90 days payment has not been rendered and no attempts have been made by the responsible party to contact us or make a financial agreement your balance may be transferred to a collections company.

By signing the health history form provided, I agree to the above financial agreement options and understand balances due are my responsibility.

Thanks for choosing Cedar Rapids
Periodontics!
